16<sup>th</sup> January 2018

Dear parents,

Chinese New Year is approaching! The Kindergarten will be holding an event called “Bilok Creative Lunar New Year Market” on 12<sup>th</sup> February 2018 (Monday). The New Year Market will be internationally themed and Chinese New Year celebration items will be available for purchase through different booths. We cordially invite parents to join this event; parents and children could take part in decorating the booths as well as learn the etiquette of trading, and to share the joy of the festive season. School bus services will be operating as usual on the day. Students may wear Chinese costumes if they wish or they can choose to wear casual clothes to school. Please be noted that all parents should follow the time table below to avoid any clashes with the other class groups. Thank you very much for your support!

★ **Note - the pm class has to return to school by 9:00am-10:30am.**
